

Academic Ordinances & Rules

Governing regulations for attendance, evaluation, grading and branch change eligibility —
Undergraduate Programmes

Document Code	CU/ACAD/ORD/2025-26
Applicable To	All UG students, Batches 2022–2026 through 2025–2029
Effective From	01 August 2025
Approved By	Academic Council, Chitkara University
Version	3.1 (Supersedes v3.0 dated 12 Jan 2025)

1. Mandatory Attendance Requirement

1.1 Every student must maintain a minimum of **75% attendance** in each registered course (theory, laboratory, tutorial, and studio components counted separately) calculated cumulatively from the first working day of the semester up to the last instructional day.

1.2 Attendance is recorded on a per-lecture / per-session basis through the Learning Management System (LMS) and is visible to students in real time on the Student Portal under "My Attendance."

1.3 A student whose attendance falls below 75% in any course at the end of the semester is detained from appearing in the End Semester Examination (ESE) for that course and is awarded a grade of **"DT" (Detained)** on the grade card.

1.4 Students detained under Clause 1.3 must re-register for and repeat the course (along with attendance and internal assessment) the next time it is offered.

1.5 Medical / Documented Exemption

A relaxation of up to **10%** on the mandatory attendance requirement (i.e., a floor of 65%) may be granted by the Dean of Academic Affairs on the recommendation of the Head of Department, only where all of the following conditions are satisfied:

- The absence is supported by a certificate from a registered medical practitioner or government hospital, submitted within 7 working days of resuming classes.
- The absence does not exceed 15 consecutive instructional days in a single spell, except in cases of hospitalisation, which require the discharge summary as additional proof.
- A duly filled Attendance Exemption Form (Form AA-04), countersigned by the parent/guardian and the class coordinator, is submitted to the Department Office.
- The exemption request is filed before the last teaching day of the semester; retrospective requests after result declaration are not entertained.

Note: The 10% medical relaxation reduces the effective requirement to 65%; it does not waive attendance altogether. Sports, NCC/NSS, and university-representation duty are covered under a separate Duty Leave provision (Clause 1.6) and are recorded as "present" for attendance computation, subject to prior approval from the Dean of Student Welfare.

1.6 Duty Leave

Students representing the University in inter-university sports, technical festivals, cultural competitions, NCC/NSS camps, or academic conferences (with a presented/accepted paper) may avail Duty Leave on submission of Form AA-07 at least 3 working days in advance, endorsed by the concerned Dean/Director. Duty Leave days are counted as present but are capped at 15 working days per semester per student.

2. Grading Scale

The University follows a **10-point Relative Grading System**. Final grades in each course are computed from a weighted combination of Continuous Internal Assessment (CIA) and the End Semester Examination, in the ratio notified by the concerned School at the start of the semester (typically 40:60 for theory and 50:50 for lab-heavy courses).

Grade	Marks Range (%)	Grade Point	Description
O	90 – 100	10	Outstanding
A+	80 – 89	9	Excellent
A	70 – 79	8	Very Good
B+	60 – 69	7	Good
B	55 – 59	6	Above Average
C	50 – 54	5	Average
P	40 – 49	4	Pass
F	Below 40	0	Fail — reappear required
DT	—	0	Detained (attendance shortfall)
I	—	—	Incomplete (pending result / audit)

2.1 Cumulative Grade Point Average (CGPA) is computed as the credit-weighted average of grade points across all courses completed up to the current semester. Semester Grade Point Average (SGPA) covers a single semester only.

2.2 A minimum grade of "P" (Grade Point 4) is required to clear a course. A grade of "F" requires the student to reappear in the ESE (backlog) in the immediately following exam cycle, or re-register for the full course if two consecutive reappear attempts are unsuccessful.

2.3 Grade cards are issued through the Student Portal within 21 working days of the last ESE paper of the semester. Physical grade cards are issued only at the end of the programme.

3. Branch Change Eligibility

Students seeking a change of branch/specialisation after the first year of the programme must satisfy **all** of the following criteria:

- Minimum CGPA of **8.50** at the end of the Second Semester, computed on all courses attempted (including electives and audit courses carrying credit).
- **No active backlog** — no course with grade "F" or "DT" pending clearance at the time of application.
- Availability of a vacant seat in the target branch, subject to the sanctioned intake approved by the University and applicable regulatory body for that academic year.
- Submission of the Branch Change Application (Form AA-11) within the notified window, typically the first two weeks of the Third Semester.

3.1 Where the number of eligible applicants for a target branch exceeds available seats, selection is made strictly in order of CGPA, with ties resolved by the Second Semester SGPA, and thereafter by the First Semester SGPA.

3.2 A branch change once granted and confirmed is final for the duration of the programme. Fee structure applicable to the new branch (if different) takes effect from the semester of transfer; no retrospective fee adjustment is made for prior semesters.

4. Unfair Means & Academic Integrity — Cross-Reference

Provisions relating to use of unfair means during examinations, plagiarism in assignments/reports, and associated penalties are governed separately under the Examination Regulations document (CU/ACAD/EXAM/2025-26); this document addresses attendance, grading and branch-change matters only.

This document is issued for general student guidance. In case of any conflict between this summary and the full Academic Ordinances approved by the Academic Council, the version held by the Office of Academic Affairs shall prevail. Queries: academics@chitkara.edu.in
